Welcome Tutors! We hope you are enjoying your summer break. We are busy preparing for the school year to kick off. We are excited to announce that we will be focused in three new districts: Sayville, Freeport, and Connetquot.

We have made some enhancements in the communication process to help tutoring transition smoother. We pride ourselves in providing immediate and exceptional services. Attached to our newly updated website: www.litutorialservices.com please note you will find a document about mandatory reporting. You will find it located under the employment page. Please review the document and if you have any questions please do not hesitate in contacting us. It is important that we work together as a team.

We are always looking for new tutors. If you can recommend a professional teacher, please forward them our website: www.litutorialservices.com or 631.316.0426.

Tutors can have a quick access to Alesia by contacting her at: 631-258-0099. You may text or call. Texting is usually better and less distracting if she is teaching. All tutoring information and offers will be made through email from tutoringlitutorialservices@gmail.com. For this reason it is imperative that you confirm the email you want all offers to be sent to you. As districts expect a quick turn around for student engagement, we ask that you confirm/reject your acceptance within 24 hours.

For business questions please contact Sal at: 631.316.0426. He is also available at Litutorialservices@gmail.com.
